

HumiSeal®

Masking Tapes & Dots

*MASKING TAPE AND DOTS DESIGNED
AND MANUFACTURED FOR
CONFORMAL COATING APPLICATIONS*

'Excellence' in Conformal Coatings

The latest masking materials are completely silicone free to avoid de-wetting around masked areas. They are also extremely easy to apply and remove leaving no residue on the substrate.

features

benefits

High surface conformability	No leakage under tape
Clean, easy removal	No residue after removal
Clean, accurate separation line	Sharp edge after tape removal
Semi Transparent	Easy accuracy of placement verification
Silicone free adhesive	No contamination causing de-wetting
Solvent resistant	Most tape adhesives are affected
Liquid coating resistance	Will not absorb coating like paper base tapes
